

Amendments of the Specification

Please replace paragraph [0126] with the following amended version of that paragraph:

a' [0126] FIG. 16 shows another illustrative position review screen 1500 that includes a late breaking news announcement that may be provided to the user by the electronic trading application in accordance with some embodiments of the present invention. Position review screen 1500 is substantially similar to position review screen 1000 of FIG. 11. However, as illustrated, position review screen 1500 includes a late breaking news announcement 1502. Late breaking news announcement 1502 may inform the user that there are one or more news announcements available for review. The example of the position review screen including a breaking news announcement is merely illustrative. The electronic trading application may provide a late breaking news announcement to the user in any other trading simulation screen.
